Swarthmore College
$5,100,000
As part of a major legacy grant to Swarthmore, the College is continuing the renovation of the infrastructure of Parrish Hall, a landmark campus building. The roof is being carefully repaired and strengthened and new energy efficient heating and air handling systems will be installed.

In addition, as part of Swarthmore’s ongoing support to students interested in careers in business and entrepreneurship, a grant of $100,000 has been provided for the program, Educating Socially Responsible Leaders.

Dana-Farber Cancer Institute
$3,530,000
The Dana-Farber Cancer Institute located in Boston, MA, provides care and advances the diagnosis, treatment, and cure options for adult and pediatric cancers. Dana-Farber and its affiliate, The Jimmy Fund were awarded grants to support prostate cancer research by Dr. Philip Kantoff at the Lank Center for Genitourinary Oncology.

A separate grant supports the Kohlberg family’s annual participation in The Jimmy Fund Walk in memory of Amy Kohlberg Quinlan ($105,000).
**Compassion & Choices**

$2,500,000

Compassion and Choices, located in Denver, CO works to improve end-of-life care and choices to the dying through education, advocacy, support services, and development of Clinical Practice Guidelines. This grant was awarded to advance their efforts to create a more informed community about options for end of life care.

**Institute for Integrative Health**

$2,300,000

The Institute, located in Baltimore, MD, run by Dr. Brian Berman, M.D., is committed to building the evidence base for integrative medicine, advancing the science with new research methods, and mentoring the leaders of today and tomorrow. Their vision is to optimize health and well-being and shift the healthcare system from its dominant focus on managing disease to a focus on promoting health across the lifespan. Through its leadership, advisors, and the support of a network of Scholars working in their home institutions, the Institute pursues frontier investigations, bringing integrative approaches to organizations and disciplines, and mentoring the next generation of leaders, scholars, and students. Their building is strategically located near the University of Maryland medical and professional schools campus, Johns Hopkins medical and school of public health campuses, and Mercy, Bay View, and Harbor hospitals. From this vantage point, they are well placed for nurturing strategic partnerships and serving a diverse local community. During this grant period, their forums placed high value on bridging research and application in integrative health, in particular, wounded veterans and minority populations; the Institute Scholars grew in number from six to eight. The Institute supports not only scholarly inspiration and research, but also the well-planned translation into real-world effort-community engagement and collaborative models to enhance health and well-being. This grant was awarded to support their working capital needs.

**Jacob Burns Film Center**

$1,500,000

The Film Center, located in Pleasantville, NY is a leading national educational and cultural institution. The Center, through its Media Arts Lab provides opportunities for people of all ages to discover, explore, and learn through the power of film and media. The Film Center was awarded grants to support their virtual learning platform, organizational stability, and strategic investments. The virtual learning platform will be interactive, resource rich, and will provide tools for filmmaking collaboration and production while leveraging their unique position as both film presenters and educators. The platform is being created as a sustainable business model with both common source resources as well as a revenue generating element.
Moyers on Democracy
$1,320,000

_Moyers & Company_, a weekly PBS series, helps viewers make sense of our tumultuous times through the insight of America’s strongest progressive thinkers. Airing on public television and radio stations across the country, the series offers a forum to poets, writers, artists, journalists, scientists, philosophers, and leading scholars. It also features Moyers’ hallmark essays on democracy. _BillMoyers.com_, a new digital destination, provides access to Moyers’ work in broadcast journalism as well as an extensive video library of Moyers past work. Combined with dedicated platforms on Facebook and Twitter, it allows people to participate in the conversation of democracy. Multi-year funding has been awarded to support the _Moyers on Democracy_ series.

University of Maryland Baltimore, School of Medicine, Center for Integrative Medicine
$1,270,000

The Center for Integrative Medicine (CIM) is an inter-departmental center within the University of Maryland School of Medicine. A leading international center for research, patient care, education, and training in integrative medicine, the CIM is a National Institute of Health (NIH) Center of Excellence for research in complementary medicine. This grant provides general program support for their four-part program of informatics, research, education, and patient care. As a result of their new academic offices on the downtown campus, they have also created new alliances and partnerships with a broader range of organizations. Presenting integrative techniques to their fellow medical school colleagues, they are developing projects that look at wellness and prevention, as well as continuing their focus on the practical uses of acupuncture and mind/body medicine.
Northern Westchester Hospital Center
$1,200,000
The Hospital located in Mount Kisco, NY received funding to support the following two areas. The first, In-Hospital Integrative Medicine Program. Their nurses throughout the medical departments receive training in integrative healing therapies and techniques appropriate to the care of their patients.

The second area, Increase the Supply of Nurses Program. Through this program the Hospital has been able to drop their registered nurse vacancy rate to 4.6% from 7.0%, which is well below the national average of 8%. As a result, the Hospital has achieved Magnet Designation. This designation recognizes the nursing staff for high quality patient care and best practices in nursing and patient outcomes.

Additional funding supported the Task Force initiatives to evaluate each area of the hospital (Operating Rooms, ICU, patient floors, patient rooms, etc.) to understand future trends and identify best practices based on five criteria: medical trends - likely use for an area, patient centeredness, strategic health & wellness objective, technology, and cost/efficiency.

Manhattanville College
$1,000,000
The College, located in Purchase, NY received a grant to improve facilities and to strengthen academic programs for student retention and the electronic portfolio system. The McCormack Scholars program, honoring Manhattanville President Emerita Elizabeth McCormack also received continuing support.

Brennan Center for Justice
$800,000
The Brennan Center for Justice at NYU School of Law is a non-partisan public policy institute that focuses on issues of democracy and justice. The Center combines scholarships, legislative and legal advocacy, and communications to win meaningful, measurable change in the public sector. This grant was awarded to support the Campaign Finance Legal Strategy Project and New York Leadership for Accountable Government (NY LEAD) Program, a bipartisan group in New York business, civic, and philanthropic leaders who have come together to advocate for comprehensive reform to the way elections are funded in New York State.

Fellowship of Reconciliation (FilmCo)
$500,000
The Fellowship, located in Nyack, NY is composed of women and men who recognize the essential unity of all creation and have joined together to explore the power of love and truth for resolving human conflict. While it has always been vigorous in its opposition to war, they have insisted equally that this effort must be based on a commitment to the achieving of a just and peaceful world community, with full dignity and freedom for every human being. The grant was provided to support film documentary projects exploring peace and reconciliation opportunities for Israel and Palestine.
Meserve-Kunhardt Foundation
$500,000
The Foundation is dedicated to the preservation of photography and its use to inform, educate and inspire. The Foundation’s holdings include: the Meserve-Kunhardt Collection, the Dorothy Kunhardt Collection, the Gordon Parks Collection, and the Ed Clark Collection. The Foundation preserves and disseminates its holdings through exhibitions, publications, and multi-media educational programs to illustrate the power of visual learning. This grant was awarded to support the next phase of growth and development of the Foundation.

University of San Diego
$500,000
The University is committed to creating a welcoming, inclusive and collaborative community accentuated by a spirit of freedom and charity, and marked by protection of the rights and dignity of the individual. The University values students, faculty and staff from different backgrounds and faith traditions and is committed to creating an atmosphere of trust, safety and respect in a community characterized by a rich diversity of people and ideas. This grant was provided to support their Initiative to Protect Student Veterans.

City University of New York (CUNY) School of Journalism - Journalist-in-Residence
$150,000
CUNY’s Graduate School of Journalism received support to establish a Journalist-in-Residence in Urban Reporting program. This program along with several entrepreneurial research projects will support the curriculum and emphasize sustainable business models for ethnic media.

Additional funding was provided to support a Center for Community and Ethnic Media. This Center would serve as a hub for research, training, and professional support for community and ethnic publications in the NYC metropolitan region.

The Burke Rehabilitation Hospital
$115,000
The Burke Rehabilitation Hospital, located in White Plains, NY, is dedicated to helping individuals who have experienced a disabling illness or injury regain mobility and independence. This grant was awarded to support their programs and services.
Investigative Reporters and Editors, Inc. (IRE)  
$100,000

IRE, located in Columbia, MO, is a grassroots nonprofit organization dedicated to improving the quality of investigative reporting. They create a forum in which journalists throughout the world help each other by sharing story ideas, newsgathering techniques, and news sources. IRE provides access to thousands of reporting tip sheets and other materials through its resource center and hosts conferences and specialized training throughout the country. This grant was awarded to support training programs for small to medium sized news organizations.

ProPublica, Inc.  
$100,000

ProPublica, located in New York City, is a non-profit newsroom, conducting investigative journalism in the public interest. They work to shine a light on the exploitation of the vulnerable by government, business, and other institutions through investigative reporting. In addition, they spark reform through the sustained spotlighting of wrongdoing. This grant provides general support for operations.
